## SPAA congratulates SMSF audit business for winning NSW Business Chamber Award

1 December 2010 SPAA always likes to recognise excellence in the SMSF sector so we take great pleasure in congratulating SMSF Outsource Solutions which has taken out the top award at the NSW Business Chambers' Annual Awards. SMSF Outsource Solutions specialises solely in providing independent SMSF Audit Services to accountants and administrators Australia-wide.

The NSW Central Coast based firm has been honoured at the Business Chamber's 125-year anniversary celebration by taking out their category and winning the overall prize:

- The Excellence in Small Business Growth Award
- The NSW Business Chamber Award "President's Prize"

Jo Heighway, who holds the SSAud and SSA, is highly regarded in the SMSF industry as an SMSF auditor, with a reputation for providing high quality "value-add" SMSF audit services for over 15 years.

Jo has been a member of SPAA since 2003 and is the founder and current Chairperson of the SPAA Central Coast sub-chapter.

The two business partners Jo and Matt Heighway, were thrilled to take out top honours at such a prestigious event, attributing their success to their passion for the self-managed super fund industry and sharing a vision to be Australia's leading and most well regarded SMSF audit firm.

The Excellence Small Business Growth Award recognises a company that has attained significant growth and is able to demonstrate specific strategies and processes implemented to achieve growth. The NSW Business Chamber Award is presented by the President of NSW Business Chamber and takes into account all award categories and is awarded to a company considered an 'all-rounder', giving a superior performance in all aspects.
